ATTRACTIVE OUTDOOR SPACES

DELIGHT YOUR GUESTS AND INCREASE YOUR PROFITS!

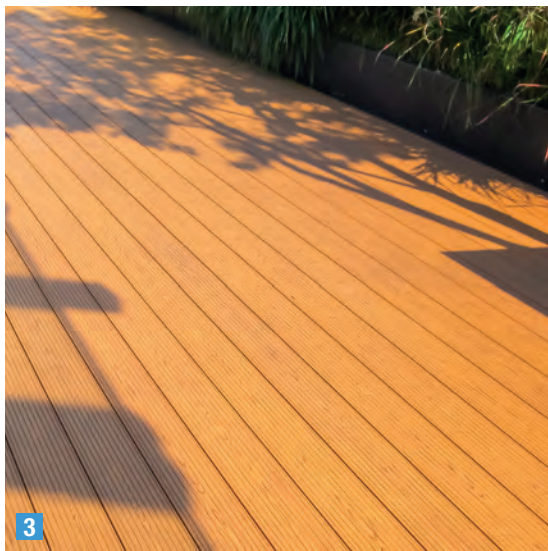

“Open air” restaurants are booming. Expand your service area and grow your profit!

Whether a Hotel terrace, garden restaurant or street cafe, you will create a special environment that encourages your guests to stay longer when you equip your space with a tailor-made STOBAG weather protection solution.

Take inspiration from the broad range of options and colour choices. Combine practical convenience options such as lighting, automation or glazing systems to generate even more benefits.

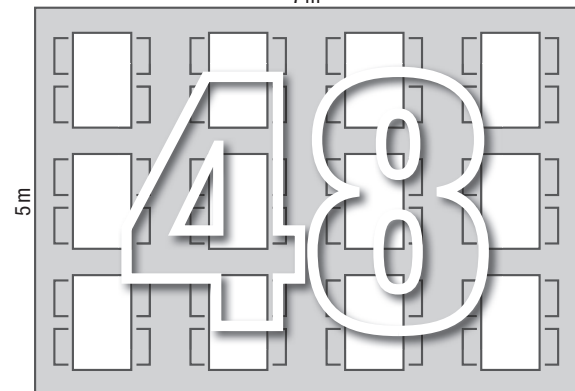

Your STOBAG specialist partner will be happy to advise and show you individual solutions.

7 m

Just 5 × 7 metres of covered service area will give you around 48 profit-earning covers.

- 1 Atmospheric gourmet experience outdoors: **PERGOLINO** terrace awnings with up to 6 metre projection and I.S.L.A. Aluminium floor system SB4700.
- 2 **BAVONA** weather protection systems are available with two different roof variants: As a bio-climatic roofing TP6500 hardtop with variable inclination aluminum slats (see illustration) or as a TP6100 soft-top with Mediterranean charm.
- 3 Splinter-free, colour-fast, weather-resistant and inherently stable: self-supporting **I.S.L.A. Floor system** with "long-life" aluminium decking with stunning imitation wood.
- 4 Free-standing **MELANO** weather-protection island in cubic design with folding awning. Perfectly-integrated convenience options, such as sliding glazing and vertical shading also protect against wind, rain, low-lying sun and unwanted attention. LED lighting ensures carefree hours in the evening.
- 5 **RESOBOX** – shade in large dimensions from the attractive aluminium box. Effectively protects fabrics and folding arms from the influences of weather.
- 6 Our vertical awning **VENTOSOL VC5300 CRISTAL** as transparent weather protection – Because of the high-quality transparent PVC film, your visibility remains unobstructed.
- 7 Set new standards: Large area **JUMBO** sun curtain with telescopic arms for up to 90 m² of shade.
- 8 **BOXMOBIL** is the large area, free-standing double awning without disruptive middle posts.
- 9 All-weather glass roof system **TERRADO** with integrated roof shading and slide glazing.
- 10 Whether individually or combined for larger areas in outdoor gastronomy: Our multifunctional STOBAG terrace roof **RIVERA** offers up to 350 m² of reliable sun and weather protection comfort.
- 11 The motor-driven **VENTOSOL VS5600** is suitable for vertical shading of large areas and can also be retrofitted for various outdoor solutions.
- 12 **ARDON**: Revolutionary glass canopy with superior shading. Reliable protection against sun, rain and snow.
